The Division of Gaming Enforcement (“Division”) filed the above captioned regulatory complaint against AC Nightlife, LLC d/b/a Dusk (“AC Nightlife”), a Casino Hotel Alcoholic Beverage (“CHAB”) licensee, with the Casino Control Commission on March 16, 2010. The Division’s Complaint alleged violations of those laws related to the sale of alcoholic beverages below cost and the advertisement to the public of said sales. During the pendency of that legal action, the Casino Control Act, *N.J.S.A. 5:12-1 et seq.* was amended effective February 1, 2011 granting jurisdiction to the Division regarding casino operations, including the resolution of regulatory complaints related to the operation of a CHAB licensed premises. The parties have entered into a Stipulation of Settlement to resolve this matter. This settlement would resolve all legal issues and impose a monetary penalty of \$15,000 to be paid by AC Nightlife.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, and having reviewed the settlement agreement and finding sufficient legal and factual support for

the recommended penalty therein, I hereby ORDER that the settlement be adopted and that a monetary penalty of \$15,000 be imposed upon AC Nightlife payable from the date of this Order.
